PROTEGRA TO HOST OPEN HOUSE FOR GLOBAL SOLUTION CENTRE

HONOURABLE DAVE CHOMIAK TO DELIVER KEY NOTE

One Of Canada's Fastest Growing Companies Continues to Deliver
Business and Technology Solutions to Organizations Around the World

Winnipeg, Canada - On the heels of rapid growth, national recognition, and eight years of service to local, national and international clients, Protegra will host an open house on Tuesday March 21 from 4 to 7:30 p.m. at the recently established Global Solution Centre in Winnipeg, Canada.

According to CEO Wadood Ibrahim, "The Global Solution Centre Open House provides an opportunity to communicate to people around the world what has been happening for over eight years. Protegra has been delivering business and technology solutions to clients around the world."

"We leverage a unique delivery model utilizing lean delivery principles, high performance teams, secure web-enabled tools, technology and information channels that enable us to work directly with clients in the United States, Bermuda, Luxembourg, Japan, or right here in Canada."

The Manitoba Minister of Energy, Science and Technology Honourable David Chomiak will deliver the keynote address. Also speaking will be Tim Scatliff, Chief Information Officer of Global Portfolio Advisors. Other confirmed attendees are the Honourable Jim Rondeau, Manitoba Minister of Industry, Economic Development, and Mines, and the Honourable Stan Struthers, Manitoba Minister of Conservation.

"By announcing the establishment of the Global Solution Centre," says Ibrahim, "we're communicating to organizations that we're set up to deliver everywhere."
