## Protegra Featured in Profit Magazine as One of Canada's Best Employers

Winnipeg, Canada — Protegra's own Wadood Ibrahim is front and center on the cover of this month's issue of Profit Magazine. This accolade was prompted by Protegra's recent award as the [#1 Best Small and Medium Employers in Canada](#) by Queen's School of Business and AON Hewitt.

"We are thrilled at the opportunity to share our story with a national audience. The article does a great job at showing how tough times don't always need to lead to employee dissatisfaction. By creating an enduring culture from the start, Protegra was able to keep both employee morale and engagement up," says Wadood.

The Best Employers article describes in greater depth the people-centered approach to Protegra's success.
